

PRAYER OF BLESSING

CWS Blankets

Gracious God, you have given us so many good gifts and today we are sharing these gifts with our neighbors.

Bless these blankets that they give warmth and shelter, comfort and privacy and healing and hope wherever God's people may need care.

Bless the givers of these blankets. May they demonstrate your love to all people.

Bless Church World Service while they are delivering the blankets on our behalf.

Bless the lives of all who will receive these blankets, let them know your love. Amen.
